# COVID-19 Procedures for BIPP Members

A Risk Assessment should be carried out

Operations to be in line with current UK Government and NHS Guidelines  
and these should be up-dated and adjusted daily

No staff, clients or visitors to enter the building who have symptoms or who are  
with the current timeframe for NHS self isolating guidelines

Relevant PPE, eg; disposable gloves and masks to be issued to staff

Information posters to be displayed on the door and throughout the studio as  
appropriate

Social Distancing guideline of 2 metres to be adhered to

Record kept of all attendees

Regular hand washing, before and after each client and as appropriate

Regular cleaning of all frequently touched areas, before and after each client

Building closed to the general public and visitors limited by appointment

Deliveries left at the door

Staff to communicate daily to re-assess and evaluate risks
